COSMETICS COLLECTION

WHEN INNOVATION MEETS LUXURY

This 21-piece collection floor display features revolutionary cosmetic products ready to create the latest trends.
All of our products are meticulously researched and produced to the highest standards.

OPTIMIZED FOR RETAIL

Luxurious display to showcase these revolutionary cosmetics

This floor display features 21 sophisticated acrylic displays designed to maximize product visibility.
These unique displays are interchangeable throughout the floor display and can be used as counter-top displays.
The shelves feature LED light strips to showcase the products. The display also comes with a mirror finished header with an illuminated logo and an illuminated footer.
